Dear Daddy: Fri. nite 7:10 PM

I got your card today, and was glad to hear that Mother was feeling fine. I heard from Lottie today also. I called and talked to Mrs. Moore, and went to see them, but they were not in. The cooks here dontcare about cooking, and just sling the slop at you! It's terrible. What is Aunt Rose's address? Let me know. Write soon, and dont forget to send me this Sunday's papers in a bundle.

Love, Harold
